Cotton & Canvas Tote Bag — Reference Planning Sizes

EcoBagly (EcoBag Factory · Foshan Ming Sheng Yuan Packaging Products Co., Ltd.) · Guangzhou, China

> **Reference Planning Examples Only:** Dimensions below are planning examples aligned with ecobagly.com. Final finished dimensions (W × H × gusset), measurement points, handle drop length, print area, and length/width tolerance (generally within ±0.5 cm for planning) are confirmed on the customer specification and approved pre-production sample.

1. Four Reference Planning Size Examples (W × H × D cm)

Example Size Tier	Reference Planning Size (W × H × D)	Typical Planning Use	Sample Confirmation Note
Mini Example	20 × 20 × 8 cm	Small retail gift packs & compact accessories	Confirm handle length & print area on sample
Standard Retail Example	25 × 30 × 8 cm	Boutique shopping bags & gift promotions	Confirm finished measurement definition in RFQ
Conference / A4 Example	35 × 40 × 10 cm	Trade fair totes, folders & everyday retail carry	Confirm gusset style & stitch reinforcement
Heavy Shopping Example	45 × 45 × 12 cm	Grocery carry & large-format brand bags	Confirm fabric oz/gsm, webbing & sample tolerances

2. Production & RFQ Baselines

- **MOQ:** 500 pcs per style, per colour, and per size.
- **Working Samples:** Typically 3–7 working days after specifications and required artwork are confirmed (sample charge, courier, and any bulk credit confirmed per written quotation).
- **Bulk Production:** Usually 15–25 working days as confirmed in your written quotation (longer in peak seasons).
- **Trade & Payment Terms:** FOB Guangzhou standard (CIF or DDP quoted on request per route); XTransfer or PayPal after quotation confirmation.
